"I thought we were painting the BLEACHERS!

The Student Council this year has really tried to bring the students together and make them proud of "The New Tolt High," This has been a very successful year for the Student Council under the able leadership of Dave Andrews, Prosident; Ernie Heide, Vice President; Patty De Boer, Freasurer; and Peg Maneval, Secretary,

thought and preparation that goes into all of their work. These activities include selling Demon sweat shirts, the Carnival, a spaghetti dinner, and bettering our school by getting new vending machines, and by making the school grounds more attractive.

To the Student Body of Tolt High School:

I will always remember this year as the time of change at Tolt High School. The change from the old tolt to the new 1 4t. The change will not come easily but I feel that we have started the ball rolling in the right direction.

Peg Maneval, Secretary

Pat DeBoer, Treasurer

You will have new buildings, something to be proud of. So be proud! Next year will start a new era in sports too, but the teams can do very little without your help. So get out and support your school. It is only what you make it, so make it the best.

The Junior Class - Class of "70" is one of the largest classes in Tolt High School. Painting the flagpole; the goalpost, and the vending machines were some of their projects. Plans were made to go carroling throughout the valley. This year's Juniors won the trophy for the best float in the Homecoming parade. The Juniors are a hard working class, and meet their problems head on.

To get into Honor Society you must get a 3, 2 accumulative grade point. The students that do this have to work very hard to maintain their good standing and are proud to be members.

The Honor Society makes two trips a year, one in the Fall and one in the Spring. This year they went to the McChord Air Force Base for their fall trip. Their spring trip usually consists of a three-day camping trip to Sun Lakes.

The activities they've had this year to earn money include selling donuts at various school plays and a car wash (in the rain,)

The winner!

Wrestling at Tolt? This was the question asked among many of our boys. But with a little consideration and thought, the idea developed and with the belp of Coach Logan, a team was formed.

Gradually, the students' disbelief gave way to pride as many of the boys won their matches. Even though our boys fought well, we lost our meets. Mr. Logan believes our losses were mostly due to lack of wrestlers in certain weight categories, which caused us to lose points.

All in all Mr. Logan is satisfied with the work of the team. He thinks wrestling has a bright future at TOLT, and hopes there is a bigger turnout next year.

SENIOR HISTORY

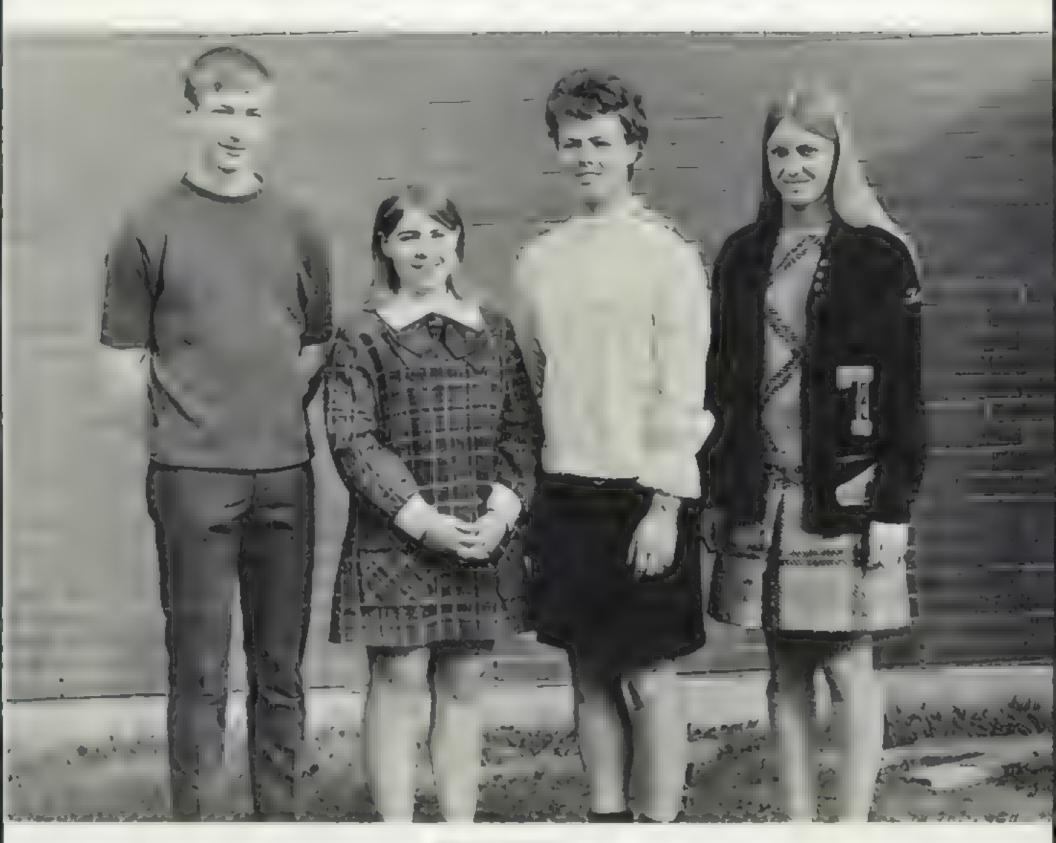

There we were! We were the Frosh at the assembly the first day of school September 4, 1965. We heard a speech from Mr. VanWoert, Tolt's principal, and then we were sent to our first period classes. Remember the shortage of chars and now we had to get some from the old building? Sue Kuntz was our class Press. Suzanne Jones was V. Press. Sandy Newsom was Sec. and Pat Riley was Treas. We bought canvases, to be used in school plays, for our class project. Boys! intuition was stopped that year. That was also the year that everyone so willingly preked at rocks on the loot will field. As for sports, Tolt went to district in basketball and we won the Spirit Trophy.

We made it through our fresh year and came back as Sophomores really feeling like part of the school. Our class of our Persuage New Pennis Richter Pres., Carol Gardner V. Pres., Jodeen Harvold-Sec. and Peg Maneyal Treas. We continued our class project by building frames for the capyas tasts. Other activities included selling programs at the games and buying our class rings. We all entoved Biology '?! Mr. McKay became our new principal...

As Juniors we pair ted the FOLT logs. Darrel Smith was class Pres., Dan Marty was V. Pres., Patty Miller was See, and Benny Ross was Treas. We had a great time selling concessions at the pames. Our Junior Prom came on with a bang- it was over that fast too! There were Typing class lectures, Bookkeeping codes, and U.S. History notes and notes and notes... Mr. Mc. Lay was kept busy with fireduils at noon.

Well, we made it? We are proud to be the first Senior class of the NEW TOLT HIGH SCHOOL, will, our new principal, Mr. Satterlee, Dar class officers are Larry DeBoer-Pres., Nancy Barder V. Pres., Wendy Zuderbaan-See, and Dama Bidou-Treas. As Seniors, we were kept may with many activities, which included Homecoming (the theme was "Autumn Fantasy"), belong in the A.S. B. 's project of painting the bleachers, and winning the majority of the sign contests. We also had a pizza sale and a Sadie Hawkins Day. Don't ever forget all the snow we had and the days school started late... or the flooded shop... or Contempt discussions... or the mass change of classes at the semester. Then came Spring. And with Spring came the Senior Banquet, Baccalaureate, and the GRADUATING CLASS of 1969!!!

AMERICA THE BEAUTIFUL

For amber waves of grain.

For purple mountains majesties

Above the fruited plain!

America! America.

God shed His grace on thee

And crown thy good with brotherhood

From sea to shining sea!

O Beautiful for patriot dream
That sees beyond the years
I am alabaster cities glown
Undimmed by human trans!
America! America
Gal shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea!
